### **Diplomatic Mission Supplies British Furniture Showcase Event Mexico City**

The annual **DMS British Furniture showcase** was held this year in **Mexico City** and was well attended by British & Non British clients, including representatives from the American Embassy; EU Delegation; Hungarian Embassy; Kazakhstan and the British Council for example concluding with a visit to HMA Residence.

*The event was held over two days (21<sup>st</sup> & 22<sup>nd</sup> May) in a FCO British Embassy apartment organized superbly, by The Estates Team in collaboration with DIT and Corporate Services, without whom, this event would not have been so successful. We left Mexico with new sales leads and a 'bag full' of new enquiries!*

The showcase gives great exposure to our products and services as we are well known to British Post's as a leading supplier of residential furniture but we set up a spare bedroom with our **Hawk Office Furniture** range which created quite a bit of interest; what the event also does is enlighten prospective new clients to our **Electrical Services Department** and the diverse range of other products we have supplied to well over 100 countries worldwide such as **Crisis items** (Trauma Packs; Ration Packs and 24hr personal day packs); QBP or Celebration Products; Uniforms and shoes /safety boots for domestic staff and guards; Security items; **Going Green** products: office storage solutions; LED Lighting etc.,

At **Diplomatic Mission Supplies** we are always looking to offer the best **Value For Money** solutions whether it's new products or finding the best route and most competitive prices for shipping the cargo.

Our latest house packs ranges that are available for immediate shipment (subject to prior sale) include the **Buckingham** and **Cheltenham** and for every order of £30,000 or more for 2019/20 we are offering **FREE SHIPPING** to clients in North America and Canada. **Another great VFM solution from Diplomatic Mission Supplies** as we continue to strive to offer **Service Without Boundaries**.

Whilst you will find information on all our house packs on our web site ([www.dms-uk.com](http://www.dms-uk.com)) please email us if you would like a personal marketing pack to [commercial@dms-uk.com](mailto:commercial@dms-uk.com) Perhaps you are looking at reviewing your in house 'rolling programme' of furniture for several properties? Should your Mission require a 'new look' or The Residence need a 'uplift' we offer a no obligation visit to Post. If you are looking at changing or adding office furniture, on receipt of a diagram of the floor space, we can provide a CAD drawing of what it would look like, calculating from a H & S point of view, how many people can safely work together.

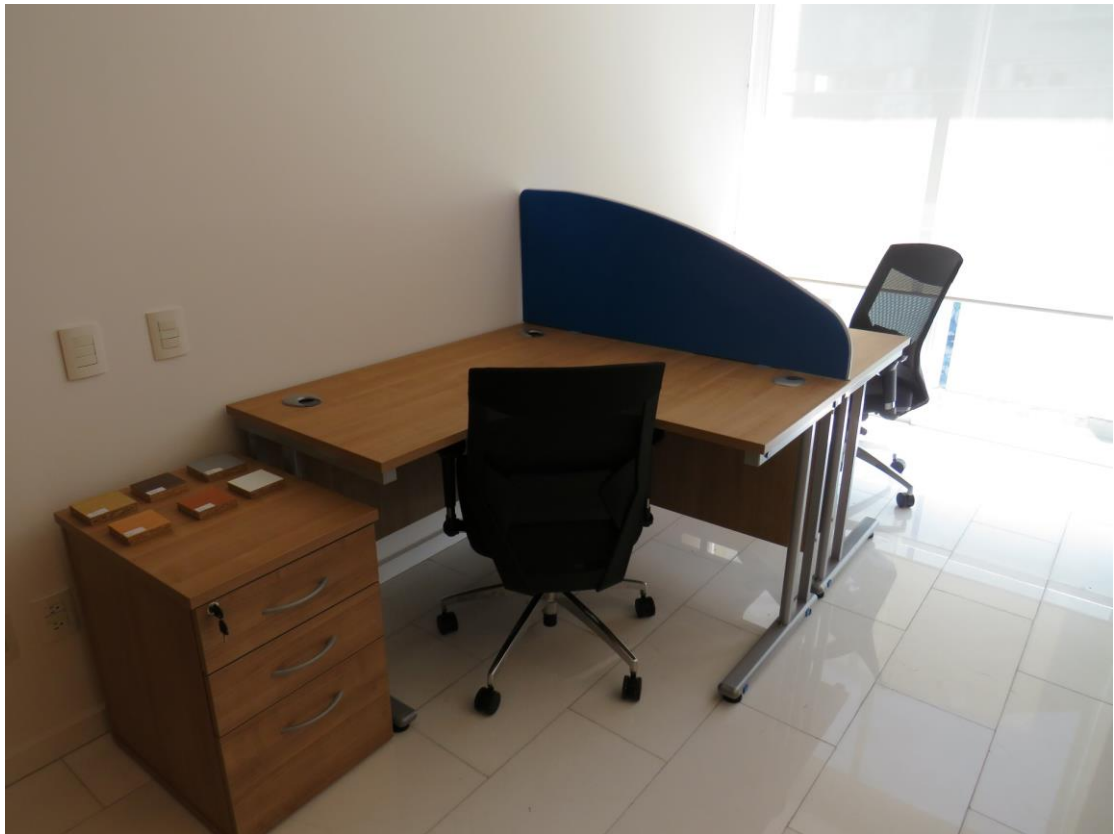

**Whatever it is you are considering, we are at your service!**
