TRAFALGAR
FURNITURE RANGE

Our Trafalgar Range is a perfect fit for any housing environment by offering a contemporary look that is sure to match any requirements. This range is available in; Oak, Cherry and Walnut.

This Made to Order furniture range can be produced within 7 weeks, offering a swift delivery from the point of order.

In order to reduce our 'Environmental Foot Print' we closely monitor all aspects of our manufacturing procedures, from sourcing our timber from FSC and other approved forests and suppliers, to using water based lacquers which have less emissions in the finishing processes than other techniques available. Where possible, we always use Combustion Modified High Resilient (CMHR) foam, which adheres to the strictest fire code standards. Likewise, our mattresses follow the practice of the CRIB5 Standard. Of course, we only use fabric that has been treated to the highest of UK Fire Regulations as required from the FCO.

We are able to provide documentary evidence to prove compliance on request.

Please find a standard Trafalgar 3 Bedroom Housepack with Pictures below. All of our Housepacks can be modified to suit any housing environment.
