SERVICE WITHOUT BOUNDARIES

AMALFI FURNITURE
RANGE

The mission of **Diplomatic Mission Supplies (established in 1995)** has always been to offer **service without boundaries**.

Our house packs (www.dms-uk.com) are built to last a **minimum of 12 years** and offer sofa sets built on a solid wood frame, with a guarantee of up to **15 years**, under normal living circumstances. Our mattresses are manufactured to CRIB 5 as standard and our sofa range includes **CMHR Foam and F R fabric**; our furniture (**timber**) is built from sustainable sources to strict **FCDO** guidelines and has been since we were established 25 years ago.

Although we have furniture suitable for junior, mid-grade or senior level (**including DHM and HMA**) there are times when budgets are tight so, without any compromise to manufacture or quality we are pleased to launch our new beautiful **AMALFI** furniture range, ideal where budgets are limited.

Diplomatic Mission Supplies Director Mr Graham R Taylor and Business Development Manager Dominic J Platt have recently viewed the factory and furniture first hand, and we as a team are delighted to launch this new furniture collection as from Autumn 2021.

The AMALFI... another great VALUE FOR MONEY solution from Diplomatic Mission Supplies
