# CHELTENHAM FURNITURE RANGE

Immediate Availability from our UK Warehouse

Diplomatic Mission Supplies are delighted to offer a New Mid-Senior Grade Furniture range; **The Cheltenham**. Our new furniture range is available as Ex Stock so we have access to this immediately. All that would need to be taken into consideration when ordering this furniture range is the transit time to Post.

Skilfully crafted in Solid Oak and Oak Veneers, every item from our Cheltenham Furniture range is designed to emphasise the natural beauty of the wood. This range features distressed handles, its robust design makes it both beautiful and practical for storage solutions, especially the pull out drawers under the bed. A great addition to this range has an 8 seater dining table as standard.

In order to reduce our 'Environmental Foot Print' we closely monitor all aspects of our manufacturing procedures, from sourcing our timber from FSC and other approved forests and suppliers, to using water based lacquers which have less emissions in the finishing processes than other techniques available. Where possible, we always use Combustion Modified High Resilient (CMHR) foam, which adheres to the strictest fire code standards. Likewise, our mattresses follow the practice of the CRIB5 Standard. Of course, we only use fabric that has been treated to the highest of UK Fire Regulations as required from the FCO.

We are able to provide documentary evidence to prove compliance on request.

Please find a standard Cheltenham 3 Bed Housepack with Pictures Below. All of our Housepacks can be modified to suit any housing environment or any requirements.
