BUCKINGHAM FURNITURE RANGE

Immediate Availability from our UK Warehouse

Diplomatic Mission Supplies are delighted to offer a New Mid Grade Furniture range; **The Buckingham**. Available as ex stock that means we have access to the furniture immediately. Only transit time will come in to effect when ordering this furniture range as to when the goods will arrive at Post.

Made from beautiful white oak and veneer, The Buckingham Collection is treated with an oil and lustre finish, which brings out a contrast in the beautiful oak grain. A groove-panelled element is carried through all pieces and chests, elegantly finished with bronze handles and tables feature metal close runners. Dining for 8 comes as standard on this range.

In order to reduce our 'Environmental Foot Print' we closely monitor all aspects of our manufacturing procedures, from sourcing our timber from FSC and other approved forests and suppliers, to using water based lacquers which have less emissions in the finishing processes than other techniques available. Where possible, we always use Combustion Modified High Resilient (CMHR) foam, which adheres to the strictest fire code standards. Likewise, our mattresses follow the practice of the CRIB5 Standard. Of course, we only use fabric that has been treated to the highest of UK Fire Regulations as required from the FCO.

We are able to provide documentary evidence to prove compliance on request.

Please find a standard Buckingham 3 Bedroom Housepack with Pictures below. All of our Housepacks can be modified to suit any housing environment.

Buckingham 3 Bedroom Housepack
